In the event that an emergency arises during a practice or game session, the coach, athletic trainer, and/or team physician may apply the necessary first aid treatment to the student immediately until the proper authorities can be reached. Consent is hereby given to administer prescription medication to the student when the prescription is properly labeled and is accompanied by a written request by the professional person who prescribed the medication as well as by the parent(s)/guardian(s).
- 4. Transportation Policy:** We have on file at Lutheran High School - Parker the Transportation and Activities Authorization and Release form regarding student transportation. - 5. Acknowledgement of Potential Injury and Release and Indemnification:** We are aware that participation in sports or other athletic activities includes known and unknown and uncontrollable risks, including, but not limited to, risk of personal injury to the student or others including, without limitation, disability or death. 6. Training Rules: We understand that training rules are necessary for athletes for optimum performance, commitment, responsibility, and training for adulthood. We acknowledge that the student must abstain from the use of alcohol, tobacco, and any other non-prescribed drugs. The penalty for violation will be a minimum suspension from the team for one-third of the scheduled contests, as well as other school discipline consequences. Since a dedicated student-athlete is never truly out of season, training rules are in effect 365 days per year. The student is expected to show pride in his/her school and team by showing good sportsmanship in competition, showing positive support for other Lutheran High School - Parker teams, dressing-up for contests, being responsible for all equipment, striving for high academic standards, and displaying proper behavior in and out of school. Disregard for these above-mentioned standards will mean appropriate action taken by the coach, athletic director, or another administrator.

7. CHSAA Eligibility: We have read and understand the CHSAA eligibility rules that affect participation in interscholastic activities in the State of Colorado. The following conditions to participation are true and correct: the student is enrolled in at least five full-time classes, the student is failing no more than one class, the student was in compliance with the foregoing during the last semester, the student had a physical exam within the past calendar year, a parent permission form is on file with the school, the student has not changed schools without a bona fide move by the parent(s)/guardian(s), the student will not have turned 19 before August 1st, the student has never dropped out of school, the student has not played more than four seasons in any sport, and if participating on any non-school team, the student has permission from the principal.

8. Sportsmanship: We will strive to welcome each opponent as our guest before, during, and after the athletic contest. We always will promote our athletic teams to win the competitive battle in a fair manner. It is our goal to applaud and accentuate the positive in the events of the schools involved in competition. We will strive to eliminate the spontaneous negative reactions of unsportsmanlike behavior.

9. Support of Coaching Staff: The undersigned parent(s)/guardian(s) pledge to support and assist the student’s coaches in his/her ministry to the athletes on the team by the following actions: a) refraining from yelling out instructions to the student from the stands, b) refraining from making negative comments about the coach in the presence of the student or other team members or parents, and c) if a conflict or concern exists between me/us and the coach, that I/we will approach that coach first with the concern.

The undersigned student and parent(s)/guardian(s) understand and agree that by accepting this form, neither the school nor The Colorado Lutheran High School Association represents or agrees that the student will necessarily be permitted to participate in any sports or other athletic activities offered by the school.
