

College Open Houses/Preview Days

Have you planned your visit yet??

1. Set up your visit in advance with a college admissions rep; do not just appear on the day of the visitation and expect a warm reception.
2. Call the Admissions office to set the date and time of your visit.
3. See Miss Noffze for a college visit sheet and be ready to ask some of those questions. Take it with you and fill in the answers as you tour campus, or immediately after your tour so you can remember all that is important to you.
