

English Honors / Advanced Placement College Ready Reading 2018

To ensure that our students are better prepared for the English Honors program, the Advanced Placement exams, as well as the ACT and SAT college entrance exams, we at Lutheran High School find it important that our students be well read in literature. To help our students in these areas, we have developed the summer reading list below.

By reading these works the student will begin to have a clearer understanding of literature. The works read will be referred to during the course of the year. By reading the novels, the student will gain a knowledge and understanding of the works, and it will aid in the preparation for the Advanced Placement Exam as well as the ACT and SAT tests, which are taken by all students who will enter college.

After reading the appropriate novels for their class, the students will complete a mini-unit in class and take a test over the novels. **The test will be Wednesday, September 12 or Thursday, September 13.**
