

## Lutheran High School Athletics

### 2018-19 Participation Fees

Additional fees are required for participation in our athletic programs to help defray the cost of operating a quality opportunity for your students. Participation fees cover the cost of most equipment required for each sport, practice and game facility use, game officials, transportation, tournament/postseason fees, and coach salaries. Student-athletes are not eligible to participate in any regular season activities (including practice) until this fee has been submitted.

Programs may offer additional fundraising opportunities to cover the cost of desired team items outside of the general operating expenses listed above (team trips, spirit wear, etc.).

Participation fees are refundable when a student is not selected for a roster during try-outs. Once rosters are set, fees are no longer refundable when a student quits or is removed from the team for disciplinary reasons.
